**MCNEIL CONSUMER HEALTHCARE ANNOUNCES VOLUNTARY RECALL OF CERTAIN OVER-THE-COUNTER (OTC) PRODUCTS. Please return ALL warehouse and retail inventory of the identified lots listed below. No product other than the ones specified should be returned.**

McNeil Consumer Healthcare, Division of McNEIL-PPC, Inc., is recalling 5 lots of over-the-counter medicines. This action is a follow-up to a product recall that McNeil Consumer Healthcare originally announced on January 15, 2010, which was initiated following consumer complaints of a musty or moldy odor, which has been linked to the presence of trace amounts of a chemical called 2,4,6-tribromoanisole (TBA). The risk of serious adverse medical events is remote. This recall is being conducted with the knowledge of the U.S. Food and Drug Administration (FDA).

**Dot only received these 5 skews with bad lots and it was in 2009.**
